Subject: Woolworths Development - Moss Vale

Dear Mr May

We recently completed community consultation, prior to submitting a Development Application for a neighbourhood shopping centre including a new Woolworths supermarket, at 233 Argyle Street in Moss Vale. We believe that the new store will bring a range of benefits to the local area, including a wider range of fresh produce, grocery, and household items, as well as new job opportunities for local residents.

We were hoping to lodge our development application recently but hit a few road bumps with the planning team and so this has delayed the lodgement. We are committed to working collaboratively with the Council and the local community to ensure we deliver what the Moss Vale area needs and we would be keen to provide a briefing to you on our plans and the feedback we received from the community. We would be available at a time convenient to you.

I look forward to hearing from you

Kind regards
