ATTACHMENT 8 – Objector's Consultant's plans showing view of development to and from 29 B Oxley Drive

VIEW 1 TO 29B FROM WINDOW OF UNIT 7

VIEW FROM BEDROOM TOWARD UNIT 7

Council comment: The two upper eastern facing windows of Unit 7 are a study and bedroom windows. The lower window is a bedroom window. These eastern facing bedroom and study windows will overlook 29B Oxley Drive, however as bedrooms are not living areas, obscure glazing to bedroom areas is not required. For the upper eastern facing study area, fixed obscure glazing in any part of the window less than 1.7 metres above the floor will be required by a condition of consent. The lower level bedroom window will be screened. The entry walkway contains a 1.7 metre high screen to its east, to prevent overlooking into 29B Oxley Drive, which is not shown in the objector's consultant's above view plan.

VIEW FROM TERRACE TOWARD UNIT 7

Council comment: The entry walkway contains a 1.7 metre high screen to its east, to prevent overlooking into 29B Oxley Drive, which is not shown in the objector's consultant's above view plan.

VIEW FROM TERRACE TOWARD UNIT 5

VIEW 1 TO 29B FROM WINDOW OF UNIT 5

Council comment:: The three upper eastern facing windows of Unit 5 are a bedroom, ensuite and kitchen windows, which will overlook the adjoining eastern properties, however as bedrooms are not living areas, obscure glazing to bedroom and ensuite areas is not required. For the upper eastern facing kitchen area of Unit 5, fixed obscure glazing in any part of the window less than 1.7 metres above the floor will be required by a condition of consent. The lower window of Unit 5 is a rumpus room window, which due to its elevations this window should also have fixed obscure glazing in any part of the window less than 1.7 metres above the floor. This can be addressed by a condition of consent. The roof of proposed Unit 5 has been reduced from a gable end to a hipped roof, which is not shown in the objector's consultant's above view plan. The upper eastern facing windows of Unit 4 are bedrooms and ensuite windows, which will overlook the adjoining eastern properties, however as bedrooms and ensuites are not living areas, obscure glazing to bedrooms and ensuite areas is not required. Fixed screening to the east of the elevated entry path to Units 4 and 5 to ensure the privacy of eastern / south eastern properties is required by a condition of consent.

Note: The shadow shown above as submitted by the objector's consultant show overshadowing impacts from the previously proposed eastern elevation gable roof of Unit 5, which was deleted and replaced with a hipped roof in amended plans submitted by the applicant dated 3 February 2020
