

## Bowral & District Hospital

Bowral & District Hospital (BDH) is a major Rural Hospital which provides a wide range of services, including general medical, obstetrics and gynaecology, paediatric, surgical, orthopaedics, ophthalmology, aged care and emergency services.

Originally founded in 1889, Bowral & District Hospital has been serving the needs of its local population for over a hundred years. From a humble cottage hospital origins the hospital has grown to a 94-bed facility offering a range of general and specialised services.

Part of the South Western Sydney Local Health District, Bowral has close links with a range of Sydney's teaching and referring hospitals including Liverpool, Fairfield, Bankstown and Campbelltown hospitals.

## Explorers Learning Academy

Explorers Learning Academy has been established by Eleanor Sheehan, with over ten years' experience in owning and managing Education and Care services in the Southern Highlands and Sydney.

Eleanor is supported by a team of highly dedicated staff headed by Lindsay Loomes. Lindsay is the General Manager of Explorers Learning Academy, and is an Early Childhood Teacher, and has also managed Early Learning Services in the Highlands and in Sydney.

Both Eleanor and Lindsay have a strong Commitment in providing Educators, families and children with excellence in a natural, nurturing and stimulating environment. They are committed to a fair, safe and supportive working environment, with a strong focus on Education, Quality and Safety.

## Fire and Rescue NSW

Fire and Rescue NSW is one of the world's largest urban fire and rescue services.

Our overriding purpose is to enhance community safety and quality of life by minimising the impact of hazards and emergency incidents on the people, property, environment, and economy of NSW.

Our firefighters are trained in the latest techniques and methods using modern equipment. We are a world class service able to respond to incidents on ground, in water, at heights and in confined spaces.

Our crews are prepared to respond to a variety of incident types including fire, flood, other natural disasters, hazardous materials, rescue, vehicle accidents and emergency life support.

We are prepared for anything, to protect the irreplaceable.

## Harbison

Harbison is a not-for-profit organisation, operating in the Southern Highlands at Burradoo and Moss Vale for nearly 70 years. Our community-owned facilities offer supportive accommodation, with a range of services such as allied health, wellbeing, clinical, personal care, and additional services, we strive to customise care to meet individual needs and preferences. Harbison has community partnerships, including school-aged multi-generational care programs. Embracing an active and healthy approach to aging, we pioneer a Motiview program, the first of its kind in Australia.

## Komatsu

Komatsu provides essential equipment, technologies and services to the construction, mining, energy, government, waste and quarry industries. Our purpose is creating value through manufacturing and technology innovation to empower a sustainable future where people, businesses and our planet thrive together.

## NSW Police Force

The mission of the NSW Police Force is to work with the community to reduce violence, crime and fear. We aim to protect the community and property by:

- preventing, detecting and investigating crime
- monitoring and promoting road safety
- maintaining social order
- performing and coordinating emergency and rescue operations.

The NSW Police Force is one of the largest police organisations in the English speaking world. It began as the first civilian police force in Australia, known as the Night Watch, and was formed by Governor Arthur Phillip in 1789 to guard Sydney Town. In 1862, all Watch Teams were combined to form the NSW Police Force.

We operate under the *Police Act 1990* and the *Police Regulations 2008*.

## Ramsay Health Care – Southern Highlands Private Hospital

Southern Highlands Private Hospital is an acute medical and surgical hospital, owned and operated by Ramsay Health Care.

A 73 bed private hospital, Southern Highlands Private Hospital provides an extensive range of onsite medical, surgical, rehabilitation, oncology and palliative care services for the Southern Highlands community.

The Hospital has 4 operating theatres, a gastroenterology procedure room, day surgery unit, 1st, 2nd and 3rd stage recovery, a 4 bed high dependency unit, hydrotherapy pool, gymnasium, along with ward accommodation for medical, surgical, rehabilitation and palliative patients in a combination of private and shared rooms.

## TAFE

The Moss Vale campus caters to the Southern Highlands region, serving towns like Bowral and Mittagong. Lately, it has evolved into a vibrant hub for innovative, independent businesses, fostering a lively community spirit.

At Moss Vale, a wide array of courses await you. These courses span arts and media, business and administration, communication and media, electro-technology and engineering, general education, aged care and children's studies. TAFE NSW Moss Vale also specialises in information technology, rural and animal studies, and tourism and hospitality. The University of Wollongong Access Centre is also located on our campus.

## Tyree Transformers

Tyree Transformers are an Australian-owned business headquartered in Mittagong, regional NSW. A member of The Tyree Group, our company is dedicated to always finding a better way – whether it's design, production, delivery or going the extra mile with customer service. Through a collaborative culture and a can-do attitude, we shape a resilient and dynamic capability aligning to the evolving needs of our customers and the communities they serve.

The Tyree Group are the largest manufacturer of transformers in the Southern Hemisphere. With more than 420 full time employees in Australia, Tyree are industry leaders in the design and manufacturing of electrical transformers, substations, and switchboards. Operating exclusively for charitable purposes, company dividends are distributed to the Sir William Tyree Foundation. The Foundation is dedicated to supporting engineering, medical research, and education within Australia.

## University of Wollongong

The University of Wollongong (UOW) is in the top 1% of the world's universities (QS World University Rankings 2024) with a network of campuses in Australia and internationally. The UOW Southern Highlands campus, co-located with TAFE on Kirkham Street, Moss Vale, provides the Wingecarribee Shire with a fully equipped university campus. Students can complete a range of courses locally, including in business, teaching, the humanities and health care. The campus also provides assistance to students from the Wingecarribee studying with UOW at the Wollongong campus or online, including access to learning development, careers and well-being support.

# Workplace Learning

Illawarra Schools Workplace Learning Program Incorporated (Workplace Learning) has been in operation since 1997.

We provide services and programs that increase individual employability skills, through coordination, advice and mentoring, giving young people the highest possible chance of success. This includes identifying existing skills and career interests, as well as any barriers to engaging in education, training or employment. We are a not-for-profit locally-based organisation servicing the Illawarra, Southern Highlands, Shoalhaven, South Coast and Far South Coast, with offices in Albion Park and Nowra.
