

Southern Highlands Eucalyptus Photo Competition

Eucalyptus trees are some of the most majestic and diverse species of trees in the world. Their striking shapes, unique bark textures, and variety of hues are something every nature lover appreciates. We want YOU to explore the beauty of these trees from every angle and share their magnificence through your lens.

When: Between Saturday 1 March - C.O.B Thursday 20 March

Prize categories: Primary school students
Secondary school students
Open age

Email entries to: mail@wsc.nsw.gov.au - Attention Belinda
