

# WINGECARRIBEE

# SCHOOL HOLIDAY PROGRAM

For young people aged 12 to 24 years

## FIRST NATIONS WEAVING WORKSHOP

**Wingecarribee Aboriginal Community Cultural Centre**

Guided by experienced First Nations artist, Pam Luke, participants will explore the cultural significance of weaving while developing hands-on skills. This workshop offers a unique opportunity to connect with First Nations culture and take home a beautiful, handcrafted piece.

SEPT  
**30**

## INTRODUCTION TO PUMP TRACKS

**Wingello Mechanics Institute**

Learn more about our new pump track at Casburn Park this school holidays!

Instructors from Dynamic Motivation MTB will provide information about riding pump tracks and share their ride skills with our community. Only suitable for young people aged 14 to 24 years.

OCT  
**04**

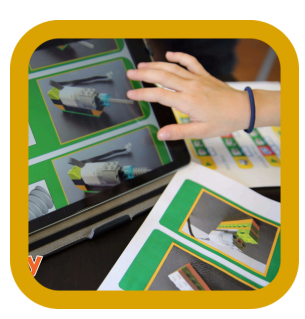

## COOKING CLASSES

**Kazcare Grounds | 15-17 Kirkham Rd, Bowral**

The Community Cooking School will offer hands-on kitchen fun where young-cooks can prepare an easy menu. You will make, and eat, your own morning tea and lunch, and take home any left overs and additional menu items to share with loved ones. Only suitable for young people aged 12 to 24 years.

OCT  
**01**  
**08**

## ROBOTICS WORKSHOP

**Loseby Park Community Hall**

Get ready to dive into the exciting world of robotics with Snapology of Camden's Robotics Holiday Course designed especially for teenagers! This hands-on program is perfect for aspiring engineers and tech enthusiasts. Over the course, participants will design, build, and program their own robots using advanced LEGO® Spike Prime kits.

OCT  
**09**

**All events are free. Bookings are required.**
